SHORT STORIES OF THE CITY

Good Record.—Up to 6 o'clock last night there had not been an arrest made in the city of Globe during the preceding forty-eight hours. The streets and resorts were thronged Saturday and Sunday nights, but the best of order prevailed.

False Report.—A report reached the city from Lower Pinto yesterday morning to the effect that E. R. Gaynor and a miner known as "Frenchy" had engaged in a pistol duel on Sunday night and that Gaynor had received two wounds and "Frenchy" four. The officers opened phone communication with the Pinto locality, where the story was denied. They were told that "Frenchy" and Gaynor had engaged in a fist fight several days ago, from which "Frenchy" had emerged with a pair of beautifully decorated optics.

Out Again.—P. C. Anderson, who was badly injured by being run down by a horse on Broad street last week, was able to get down street yesterday with the assistance of crutches. He will be compelled to use the supports for a number of weeks.

New Ambulance.—The new ambulance, recently purchased for the Old Dominion hospital, made its first run yesterday. It is a regular miniature hospital on wheels and one of the most modern vehicles of the kind ever manufactured. It is provided with electric lights and bells, a speaking tube, surgical and medical chests and everything necessary in case of emergency.

James Leaves Hospital.—David James who was shot a number of weeks ago and dangerously wounded, was discharged from the Old Dominion hospital, yesterday, and is now at the family home on Oak street. Mr. James had made wonderful progress toward complete recovery during the past few days and it is believed that within a week or two he will be able to take up his business affairs.

Courts Adjourned.—Federal and Arizona courts were opened in this city yesterday morning and adjourned until November 18. Court Commissioner Martin officiated in the district court and W. H. Hiatt, deputy United States marshal, opened and adjourned federal court. The grand and trial juries for the November term of the district court will be drawn by the sheriff, probate judge and clerk of the court on Thursday.

Mrs. Maurel Dead.—Andre Maurel received a telegram last evening conveying news of the death of his daughter-in-law, Mrs. Lula Maurel, in Los Angeles, where she went a few weeks ago.

AMUSEMENTS

At the Iris
Sunday night was change night at the Iris and the house was crowded to full capacity at each performance.

Hereafter the regular change days will be Wednesdays and Sundays. This change was made to enable the performers to leave Los Angeles on Monday morning, arrive here Tuesday night and open their engagement here on Wednesday night. Their week closes on Sunday night in Los Angeles.

Swor & Westbrook are the stars of this week's bill and they certainly have made a hit with their clever singing and dancing. At each performance they are allowed to retire only after several curtain calls. Mr. Swor is one of the famous Swor brothers. Most everyone is familiar with the scarecrow character in the "Wizard of Oz" which was played by Mr. Swor.

Mr. Cummings has two beautiful illustrated songs which he sings in his usual artistic manner.

The moving pictures are very interesting. "A Trip Through Egypt" holds the attention of the audience and "Cohen's Bad Luck" and "I'll Dance the Cakewalk" are two good comedy pictures.

The same bill continues tonight. Entire change Wednesday night.

ON THE NIGHT OF HALLOWEEN

At about the hour when graves yawn and restless spooks are said to wander and moan in their attempted flight to steal away from the gnomes and hobgoblins who guard the dark and dismal gateway of Bugebool, the grim and ghastly old gatekeeper went to sleep, as he does once a year. The Princess of Fairyland borrowed the witch woman's broom, and on it brought the "wee people" to visit Greater Globe, to steal away gates and do other awful things to disturb the lonesomeness of night when the hours are dark, and the winds shriek in unison to the guttural snore of the sleeping old witch. The "wee people" took away the signboard from our office; also the chairs from the veranda of our palatial home on Nob hill. A reward of \$20,000,000 for the return of these articles to the
